City of San Diego Learn to Swim Program★

The Learn to Swim Program is designed to teach swimming to children through adults of all skills and abilities in a positive, and safe environment. The City of San Diego offers year-round swim lessons in a fun manner, placing the emphasis on logical skill progression, water safety awareness and endurance. The leaders of this program are friendly, professional and enthusiastic American Red Cross certified instructors.

BEGINNER CLASSES are split into three levels based on skills and the development of each child.

BEGINNER I (ages 6 and up) This class is designed for the older child who has had no formal swimming instruction. Students are introduced to the early and basic skills of swimming, as well as pool safety practices.

BEGINNER II (ages 6 and up) Prerequisites: Successful completion of Super Tots or Beginner I class or the ability to perform the same skills. Students are taught to coordinate multiple skills from an effective crawlstroke with side breathing to swimming across the pool with progressive attention to safety and rescue.

BEGINNER III (ages 6 and up) Prerequisites: Successful completion of the Beginner II class or the ability to perform the same skills. Swimmers in this class will strengthen their endurance and coordination of the crawlstroke, be introduced to the skills of elementary backstroke, learn to dive from the side of the pool and increase their knowledge of safety and rescue.

ADVANCED BEGINNER (ages 6 and up) Prerequisites: Successful completion of the Beginner III class or the ability to perform the same skills. Instructors stress the importance of swimming endurance and efficiency in deeper water and teach the skills of standing front dives, treading water and continue educating the skills of safety and rescue.

INTERMEDIATE (ages 6 and up) Prerequisites: Successful completion of the Advanced Beginner class or the ability to perform the same skills. Continued progress in the crawlstroke and elementary backstroke, is expected of the participants of this class. Participants are introduced to the sidestroke and breaststroke and continue to work on advanced safety and rescue skills.

SWIMMER (ages 6 and up) Prerequisites: Successful completion of the Intermediate class or the ability to perform the same skills. Students perfect their technique and build endurance in crawlstroke, elementary backstroke, and safety and rescue skills. Students are introduced to the back crawl stroke, surface dives and entries to the water.

ADVANCED SWIMMER (ages 6 and up) Prerequisites: Successful completion of the Swimmer class or the ability to perform the same skills. Students continue to build endurance in the front crawl, elementary backstroke, sidestroke, breaststroke and back crawl. Students are introduced to the butterfly stroke, turns, competitive swimming and water polo.

ADULT LESSONS (ages 15 and up) Adults are taught individually and as part of a group in a multi-level class of students with varied skills from beginning through advanced.

Course descriptions and age ranges should be used as suggested guidelines for appropriate student enrollment. Parents should contact the Pool Manager for assistance in determining class level. Students may be more accurately assessed on the first day of class for their individual skills and abilities. Students may be transferred to a different class level or be required to repeat a class level. The Pool Manager should be informed of any special needs of the students before the first class session begins.

PRIVATE/SEMI-PRIVATE LESSONS Private or semi-private classes are available for special needs or personal instruction. The instructor will concentrate on the skills custom suited for the participant. The Pool Manager can be contacted for more information and the scheduling of private lessons.

PARENT/TOT (6 months to 3 years*) The instructors teach and demonstrate swimming techniques to the parents enabling them to safely assist the child in adjusting to the water and understanding pool safety rules. This class is taught with a positive approach placing an emphasis on fun and games.

TINY TOTS (3* to 5 years) Prerequisites: The child is able to understand and obey instructions. Songs and games allow Tiny Tots to adjust to the water and be introduced to basic skills. The class is conducted without parent participation.

ADVANCED TOTS (3* to 5 years) Prerequisites: Successful completion of Tiny Tots or the ability to perform Beginner One skills. Students continue to develop basic swimming skills and coordination while increasing water safety awareness.

SUPER TOTS (3* to 5 years) Prerequisites: Successful completion of Advanced Tots skills. Super Tots are introduced to the skill of side breathing and learn to swim greater distances both on their front and back sides.

*Children age 3 and under are required to wear a tight-fitting "swimsuit diaper" or tight-fitting plastic pants under a swimsuit.

CITY OF SAN DIEGO SWIM LEAGUE☆

The CSDSL is a multi-level progressive swim program that offers a range of competitive swimming opportunities. The levels of commitment, training and performance increase with each level of participation.

The White Level is for the swimmer who is new to competitive swimming. The focus of the White Level is placed on the instruction and technique of the four competitive strokes (freestyle, backstroke, breaststroke and butterfly) in a fun and social environment. Competition among the 13 City pools is scheduled year around.

The Silver level introduces the athlete to the more structured competitive aspect of swimming. Training and swim meets are planned around the development of the athletes. Competition among the 13 City pools is scheduled year around and competition in sanctioned swim meets may begin at this level with USA (United States Swimming Association) swimming membership.

The Blue Level is the most advanced level of competition. This level is for USA members only and membership to USA Swimming is required. Participation in many local and western states swim meets are scheduled for these advanced swimmers. The short course season is September through April and the long course season is May through August.
