District One Budget Meeting Held at UC High

Sherri joined Mayor Sanders, Fire Chief Mainar, Police Chief Lansdowne, and other City officials for a District 1 Town Hall budget meeting at University City High School on October 18th.

Over fifty community members in attendance heard details of service cutbacks that will likely be necessary to fill a projected \$73 million budget deficit in the City's General Fund budget for next year.

You can stay informed about Sherri's efforts to close the budget gap while preserving essential neighborhood services by clicking on the below link.

Working for You in La Jolla

Drivers on La Jolla Scenic Drive North may have recently noticed a smoother ride.

After hearing complaints from constituents about bumps in the pavement caused by tree roots, Sherri worked with the City Street Division to get the bumps smoothed over.

problem solving, attention to detail, and proven track record of community involvement.

The Ethics Commission is one of the City's most important boards, tasked with preserving the public's confidence in City government.

Sherri is always looking for constituents who are community advocates and would like to participate on City boards and commissions. Contact us to learn how you can get more involved.

Reducing Fire Risks in Carmel Valley

This summer, several constituents contacted our office with concerns about overgrown brush along Carmel Country Road, between Del Mar Trails Road & Highway 56. We worked with City staff to identify those responsible for maintenance and to eliminate the overgrown brush.

Please contact us if you have brush management concerns in your neighborhood.

La Jolla Businesses Come Together for Business Improvement District Workshop

This month, the City Council voted to approve a settlement agreement with Promote La Jolla, the non-profit corporation that previously managed La Jolla's Business Improvement District (BID). The agreement will allow the City to recover costs from Promote La Jolla's insurance carrier for improper billing and misused funds. Once the parties involved sign the agreement, that chapter in the Village's history will be closed.

Village merchants and business owners are already coming together to make a fresh start. In an effort to assist the Village in moving forward, Sherri recently hosted a workshop with San Diego's BID Council, which represents all the BIDs throughout the City. Many Village merchants took time out of their busy schedules to learn more about how they can form new group to apply for the contract to operate La Jolla's BID beginning on July 1, 2011.

Several people have already come forward and volunteered to participate in a new non-profit management corporation to operate La Jolla's BID in the future. Many have mentioned the importance of getting new people to lead this effort.

Starting this week, an organizer is going door-to-door to follow up on the surveys that were recently mailed to all BID members, talk to merchants one-on-one about their priorities, and encourage people to participate.

If you have already volunteered to participate in the new group, the organizer will be contacting you shortly to follow up. If you would like to volunteer to participate in the new group or have additional suggestions you would like to share, please contact Warren Simon at the San Diego BID Council: warren@bidcouncil.org, or (619) 239-2437.
